

SEVERANCE AGREEMENT

Between Sympower with organization number 559160-9283 and address (Klarabergsviadukten 63, 111 64 Stockholm, Sweden) hence forth under the name "Employer" and Matthew Richard Holman with social security number 820707-4694 and address (Brovägen 18, 448 31, Floda, Sweden) henceforth under the name "Employee" and jointly referred to as "Parties", the following agreement has been concluded.

1 Appendices

The agreement consists of this main document and the following appendices:

1. Employment agreement
2. SARS agreement

In the event that the contents of the documents do not correspond, the main agreement takes precedence over the appendices. The attachments have priority according to the above order.

2 Termination of employment agreement

The Employee has been employed with the company since 1 June 2024. Following an internal review, the Employer has determined that, due to organizational reasons, a situation of lack of work has occurred. The Employer has also found that there are no suitable alternative duties available for the Employee that align with his training, knowledge and experience. As a result, the Employer has decided that the employment will end as of 30 June 2025, with the statutory notice period being observed. This decision has been made solely by the Employer, and the Employee had no reasonable option but to accept this outcome. The Parties have therefore entered into this mutual agreement.

Conditions during the notice period

During the notice period, The Employee receives their monthly full-time salary of SEK 82,818.00 and employment benefits (pension and insurances). The Employee is exempt from work after a final handover which will be completed on 28 February 2025 and has the right to take other employment or assignments during this time.

3 Severance pay

The Employee is not eligible for severance pay.

In the event that that Employee finds another position before the End Date, the employment agreement will end by that earlier date by mutual consent. The Employee will receive 50% of the remaining wages from this earlier End Date until 30 June 2025 as an amount in one within one month after the ending of the employment agreement.

4 SARS agreement

The Employee qualifies as a "Good Leaver" as defined in the SAR Agreement. The Parties agree that the Employee has 19 vested SARs at the End date out of the total of 69 granted SARs. The unvested SARs will lapse per the End Date.

5 Competence development

The Employer must support the Employee's continued career development by paying SEK 5,000 for skills development. The invoice must be in the name of the Employer and sent to the Employer's HR Team per email on an invoice issued by the training provider chosen by the Employee.

6 Vacation

Any earned but untaken vacation days will be paid out one month after the End Date.

7 Confidentiality

The Employee undertakes to follow the confidentiality regulations as shown in Appendix 1 even after the employment period.

8 Final settlement

As this agreement and other agreements relating to employment have been completed, all material matters between the parties are finally settled.

9 Property

On or before the last day on which the Employee actually performs any work, the Employee will return to the Employer any and all items and/or documents which have been made available to the Employee in the context of the employment agreement, including but not limited to the laptop including any accessories and any and all information (and copies of such information) with respect to the Employer's business affairs, such as offers, customer lists, etc., whether stored on data carriers or otherwise laid down, in a clean, undamaged condition and without retaining any copies thereof.

The equipment (MacBook Pro and charger) should be shipped to the Employer's address in Stockholm: % United Spaces, Blekholmsgatan 2F, 111 64 Stockholm, Sweden to the attention of Sympower Sweden AB. The shipment must be insured for the current depreciated value (estimated at 18.000 SEK) of the equipment, and any expenses incurred for shipping can be claimed back following the regular expense claiming process.

The agreement has been drawn up in two (2) copies, of which the Parties have each taken one.
